Dear MIIS Alumni,

I am writing to update you on several important developments with the D.C. MIIS Alumni Group.

First, I am pleased to report that the D.C. MIIS Alumni Group developed its charter and mission document. This document will serve as a good operating guide and help the group as we go forward. We are busy organizing future events for alumni in the D.C. area.

The purpose of the D.C. Alumni Group is to promote interest and affiliation among alumni and friends of the Monterey Institute of International Studies in a supportive professional community that contributes to the quality and progress of the Institute. By creating a local community of members, alumni can participate more regularly in activities and gatherings that are socially and professionally beneficial.

If you would like to become more actively involved with the D.C. MIIS Alumni Group in a coordinating capacity or as a regular member, please contact Jennifer Ullman at jullman@ntgts.org.

The D.C. area has much to offer alumni through job and networking opportunities, sports, arts, entertainment, and dining. The D.C. Alumni Group organizes social and professional events, and fundraises for and promotes the Monterey Institute of International Studies to local residents and potential students.

As many of you already know, the D.C. MIIS Alumni Group has its own listserv. This is a wonderful way for us to stay connected. Be on the look out for event notices and other announcements in your e-mail inbox.

In order to stay informed, please take a moment to e-mail your current contact information to alumni@miis.edu. You can also register as a MIIS Alumni at www.miis.onlinecommunity.com.

Thank you for your time and we look forward to hearing from you soon.

Sincerely,

Jennifer S. Ullman
