Purpose
The Holly A. Cornell Scholarship was created by CH2M Hill, Inc. to honor the name of Holly A. Cornell, co-founder of CH2M Hill, and to encourage and support outstanding female and/or minority students pursuing advanced training in the field of water supply and treatment.

Eligibility
Female and/or minority (as defined by the U.S. Equal Employment Opportunity Commission) U.S. citizens, who are currently Masters degree students and anticipate completion of the requirements for a Masters degree in engineering no sooner than December 1, 2010, are eligible. Students who have been accepted into graduate school but have not yet begun graduate study are encouraged to apply. The recipient of the Larson Aquatic Research Support (LARS) Masters Scholarship will not be eligible to receive the Holly A. Cornell Scholarship, and vice versa.

Entry Requirements
Applicants must submit:
• Official application form
• A 2 page résumé (that includes educational history)
• Official transcripts of all university education
• Official GRE scores (quantitative, verbal, and analytical) sent directly from the GRE Testing Center, or a photocopy of the official report†.
• Three letters of recommendation (one of which must be from the academic advisor)
• Proposed curriculum of study
• Brief (1–2 page) statement describing the student’s career objectives

† For information on taking the GRE, visit their website at http://www.gre.org. Official GRE Scores may be sent directly to AWWA by calling 1-888-473-7267. AWWA’s institutional code is 0003. The GRE requirement will be waived if the applicant’s university does not require the GRE for admission. A signed statement from the applicant indicating this must be included in the application package. However, the applicant is encouraged to submit GRE scores even if they are not required by the applicant’s university for admission.

Time Schedule
The application, including all attachments, must be received no later than January 15, 2010 at AWWA headquarters. The scholarship recipient will be notified by April 1, 2010 and support will be available for the Fall of 2010.

Support Provided
The scholarship, awarded annually, will provide a one-time grant of $5,000 to the most outstanding applicant. The scholarship recipient will be publicly recognized at the Annual Conference of the American Water Works Association held in mid-June of 2010.

Selection Criteria
Members of the University Student Activities Committee of the American Water Works Association will evaluate the applicants and select the scholarship recipient based on:

☆ The quality of the applicant’s academic record
☆ Potential to provide leadership in the field of water supply and treatment

The American Water Works Association reserves the right not to award the scholarship for any year in which an outstanding candidate is not identified.
